Attention and guidance

- You cannot change the passenger information (name) after booking. New booking is required after cancellation and refund at the prescribed fee.

- Change of booking can be made at the Reservation Information Center / Check-in Counter up to 2 hours before departure time.
- The applicable age of the fare is based on the date of boarding. If the age on the date of departure is different from the age category selected at the time of purchase, it is necessary to adjust the fare difference(including taxes and fees).
  For round-trip reservations, the applicable age is based on the boarding date at the time of departure. However, if the age category is different between the departure and return routes, the difference between only for taxes and fees needs to be adjusted.
- Schedule may change without notice even after booking is completed.
- If a schedule change occurs on a booked ride, changes and cancellations will be accepted at no charge, but please note that there is no compensation at all.
- Waitlist requests can be accepted at the check-in counter on the day of boarding. Please note that reservations cannot be made at the Reservation Information Center (by phone).
